

To Whom It May Concern,

Welcome to Sky Marble & Granite, Inc. Sky Marble & Granite, Inc. is one of the premium interior partners to the building industry located in the Metropolitan Washington D.C. area. We have more than 50 years of family experience. As a former distributor of stone for commercial and residential sites, we understand all aspects of the building process, and have the insight on quality stone products and what is best suited for each project.

We offer supply fabrication plus installation along with a design center located in Sterling, Virginia. Our fabrication center of 11,000 sqft includes an extensive indoor slab selection area. We provide a variety of stones including, granite, marble, quartzite, travertine, onyx, and engineered surfaces. The product offering is designed to streamline the selection for your homebuyers. Our experienced designers will ease them through this process guiding them step by step to ensure their personal style makes their house their home.

We are licensed in VA, MD, and DC therefore serving a wide geographical area for our builders. We have partnered with builders such as, Toll Brothers for over 15 years and understand the importance to make a huge statement to your home buyers in the design and quality of a kitchen or bath space.

We would be glad to have you visit our design center and view our website. We also have over 1,300 followers on our Facebook page.

We look forward to becoming a long-lasting trade partner.
